

medipoints[®]

FAQs

What is the scheme?

The scheme is available to all our working candidates. As a Mediplacements' locum you will earn 'points' for the hours of work you complete. Your 'points' can be redeemed against a wide selection of over 500 incentives from 'Ferrari Driving Days' to 'Health Spa Breaks' or 'Wine Cases & Hampers'.

How does it work?

The scheme is internet based, extremely simple to use and can be accessed by logging on to our web site: www.mediplacements.com. We will provide each of our workers with a 'Username' (your e-mail address) and 'Password' so that you can view your points total as regularly as you like.

We will update your account with new points for work hours completed upon receipt of every timesheet you submit for payment. When you have banked enough points for your chosen incentive(s), the rest is plain sailing. Just order your incentive on-line and it will be dispatched the next working day.

How do I earn points?

1. You will 'earn' one point for every hour claimed on your weekly timesheets.
2. You can also claim 1500 points for every colleague you introduce to Mediplacements as an alternative to our £150 cash referral bonus. (Points for this will be awarded when the referred candidate has completed three weeks' or 115 hours' temporary work with Mediplacements – full details of our referral scheme can be viewed at www.mediplacements.com).

Example of points earned:

Work completed with Mediplacements	Points accrued
Average 37.5 hours worked per week (hpw)	37.5
4 weeks (1 month) completed @ 37.5 hpw	150
26 weeks (6 months) completed @ 37.5 hpw	975
52 weeks (1 year) completed @ 37.5 hpw	1950

What can I get for my points?

A wide range of over 500 incentives is available. Complete details of all options on offer (including their points value) can be viewed at: www.mediplacements.com/medipoints

When can I use my points?

You can use your points as soon as you've banked enough for your chosen incentive(s).

What if I leave? Will my points ever expire?

If you work continuously for Mediplacements your points will never expire. However, should you leave Mediplacements your points will automatically expire twelve weeks after the end of your most recent job with us.

You will therefore have a twelve-week period between Mediplacements bookings whereby your points total will remain intact. We will, of course, make exceptions for genuine cases whereby a candidate indicates (in writing) that they will be returning to us after a specific absence (e.g. travel, long term sickness, maternity leave etc.)

What if I don't have access to the internet or an e-mail address?

Don't worry if you don't have an e-mail address, we'll set one up for you free of charge. Likewise, if you don't have access to the internet, your Recruitment Consultant will be happy to access the site on your behalf and update you with your current points total by phone. They'll even take the time to talk you through the incentives available for your points total.

Can I claim for previous hours worked?

Points will be earned from Monday 4th April 2005 onwards. Any hours worked before this date will not be eligible for the award of points.

Important Information:

1. Cash alternatives for points are not available.
2. This is a genuine scheme offered to reward the ongoing loyalty and commitment of our candidates. However, Mediplacements reserve the right to reclaim points from any candidate at any time.
